

Mission

Together with financial advisors, we protect and support our cooperative members through accessible insurance solutions and personal service.

Vision

As a locally engaged cooperative, we provide security to individuals for risks they cannot or do not wish to bear themselves.

Strategy

The leading retail insurance provider: first choice for cooperative members and financial advisors, thanks to top-tier service.

A comprehensive portfolio of personal non-life insurance, exclusively distributed via independent financial advisors.

Sustainable growth through expanded services, stronger long-term partnerships, and innovation.

Strengthen, digitalise, and enhance the sustainability of our organisation to support controlled growth.
